Wooldridge Sport Inboard Jet: “Versatile!”

The Wooldridge Sport Inboard Jet is the ideal boat for those who tackle shallow rivers, enjoy a jaunt on larger open water, may need to haul a heavy load and like to include water sports. Wooldridge offers the Sport Inboard jet as an open boat with a console or as a sedan with the large two-piece walk-thru windshield. The windscreen model features a recessed self-draining bow and forward walk-around with wing. That two-piece windscreen offers great visibility sitting and standing and easy access to the beach.
